

## Science Quest 2019 @ IIT Palakkad

### List of selected and waitlisted students

We had a total of 700 applications for Science Quest 2019. We would like to thank all the students who have applied for the camp. Since we can host only 30 students, we had to leave out some good applications. So do not feel disheartened if your name doesn't feature in the lists below. Keep your scientific journey on.

Congratulations to all the selected and waitlisted students. All the **selected students** are requested to **send an email to sciencequest@iitpkd.ac.in on or before 22-April-2019 5pm** indicating your willingness to attend the camp for the entire duration from 15th to 24th of May 2019. Please mention your application number also in the email. If we do not receive a willingness email from any selected student in time, the seat will automatically be allotted to the highest rank waitlisted student from the district.
